

Natural Marble Urns - \$295.00

Butterworth Urn Co.

Like the great monuments of the ancient world, these urns are constructed entirely of natural marble, quarried from the ground. At 17 lbs each (7.7 kg) these weighty urns stand out for their impressive quality. Perfect for mausoleums and columbaria, our Natural Marble Urns are well suited for glass fronted niches and any situation where the tradition, beauty and strength of natural marble is desirable.
