**Cloisonne (Metal & Enamel) Urns - \$295.00 (Keepsake Urns - \$100.00)**

**Butterworth Urn Co.**

Every cloisonne urn starts with a strong brass core. Each urn is decorated by hand with fine brass wire that defines intricate designs that are then filled with porcelain enamel, kiln fired and polished to a high luster. Every work of cloisonne is a unique and lasting expression of the artist's talent and skill.

A wooden display stand is included with each urn. The height of the stand (approximately 1") is not reflected in the urn dimensions listed here. Keepsake versions of these urns are available and are about 3" in height.
